Uncle

I am sending to Mr. Warens to today
the PKG^s you ordered.

When you get these goods & also pay
Wdbr for running up the Trees. please
make out a statement of my indebtedness
to you & I will send you up a check for
the amount. Have a man working in the garden
but it rains about every day & is my cold.

Children are all well & the old folks too
for a wonder.

Am sorry to hear of Mr. Abau accident, also of
Mr. Richards illness. Will send you to
see about the Bible when he goes up
in the morning.

Buseu's seems to be improving with
me & I guess I shall have a good
trade this summer & fall. Hope you & all
well & write soon to you all from
Ma
